## JPI Oceans Pilot Action "Ecological Aspects of Microplastics" Mid-term Review Meeting

27 October 2017

### Meeting Objectives

The mid-term review meeting of the four successful projects funded under the JPI Oceans Pilot Action on Microplastics will take place on 27 October 2017 in Lisbon. This dedicated meeting between project partners, funding organisations and evaluation panel members will serve the following objectives:

- Present and discuss first project results.
- Address common issues and challenges.
- Look ahead on the second half of the projects.

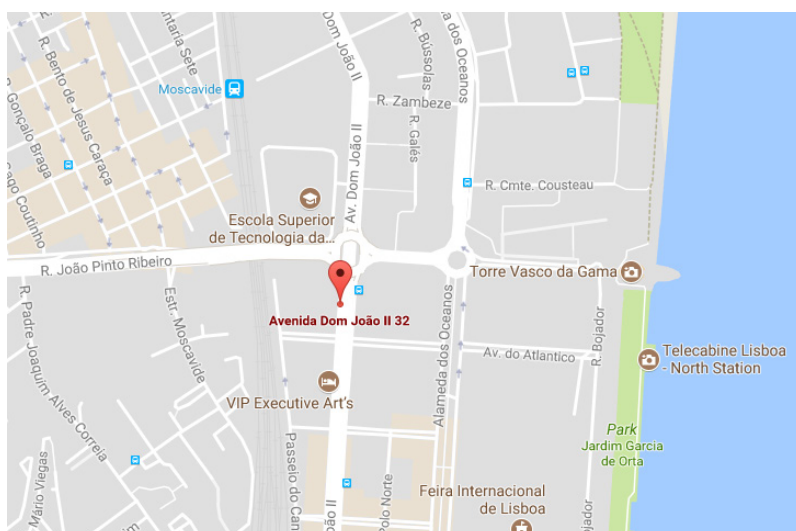

To attend this meeting please register via this [link](#).

The meeting will take place the day after the 2nd JPI Oceans Conference where the four projects will also present their results of the first eighteen months to a wider audience. The conference programme and more information can be found [here](#). Please register via this [link](#).

### Meeting location

Olissippo Hotel Oriente, Avenida Dom João II 32 , Parque das Nacoes, 1990-083, Lisbon, Portugal.

The organising committee has blockbooked a number of hotels close to the conference location. An overview can be found [here](#).
