Operational Goals and Objectives

Strategic narrative

Knowledge transfer is key

A photograph of a middle-aged man with a shaved head, wearing a purple t-shirt and dark shorts, crouching on a wet, concrete pier. He is focused on washing a large quantity of oysters in a metal bucket. Water is splashing from his hands. In the background, there is a concrete structure with a railing and a body of water. The scene is overcast.

Ocean literacy

W

Ocean literacy is defined as having an
'understanding of
the **ocean's influence** on you and **your influence**
on the **Ocean**.

Ocean literacy

Ocean literacy

An ocean-literate person understands:

- the essential principles and fundamental concepts;
- can communicate about the ocean in a meaningful way; and
- is able to make informed and responsible decisions regarding the ocean and its resources.

EU4Ocean coalition

The European Ocean Coalition (EU4Ocean) connects diverse organisations, projects and people that contribute to **ocean literacy** and the sustainable management of the ocean.

EU4Ocean coalition 2nd Phase

The overall aim of this new project is to contribute to change people's mindsets to deliver on the European Green deal objective of protecting Europe's seas and oceans.
